REMARKS

Support for New Claims

Support for new Claim 107 can be found at page 46, line 29.

New Claims 108-111 merely further specify a disorder recited in the claim on which they depend.

No new matter has been added.

Restriction of Claims

Applicant notes that the Examiner has indicated that Claims 58, 60, 62-68, 75, 77, 81-86, 90, 92, 94, 100 and 102 are drawn to an invention(s) which is distinct from the invention which is presently claimed in the subject application.

CONCLUSION

In view of the above amendments and remarks, it is believed that all claims are in condition for allowance, and it is respectfully requested that the application be passed to issue. If
